LIBRARIAN'S REPORT

The Epsom Public Library circulated over 7000 books during the year, with many high school children using the reference room, persons using the books for town histories and genealogies.

Miss Anita Fife and Mrs. Gertrude Stevens have been on hand to help keep the library running smoothly throughout the year.

Many books have been given to the library at various times for use in the library or to be used or disposed of at the discretion of the librarian.

The Bookmobile has been at the library three times during the past year and a selection has been chosen for supplement to the books in the library.

Another generous donation of records has been received from RCA and a donation from Columbia Records this year. These have been catalogued and are ready for circulation at this time.

The Shut-in service has continued throughout the year, headed by Mrs. Ellen Eppelsheimer and books are taken to shut-ins once very month or so. Anyone wishing to use this service may contact the librarian and arrangements will be made.

There are many magazines for circulation and at this time we receive about 25 subscriptions, many of them being gift subscriptions from friends of the library.

During the early spring, some gravel was hauled and the mud problem was eliminated this past spring.

The shelves are crowded and books are just inadequately displayed for the use of the patrons, especially the children's books. At this point the circulation and usage of the library has outgrown the size of the library. Because of the increase usage of the reference room, it has been hard to fit in a story hour.

Three books have been donated by the Epsom Woman's Club in memory of departed members — Mrs. Edith Piper, Mrs. Doris Crosbie and Mrs. Pauline Dole — *Plenty of Sea Room*, *Mr. Daniels and the Grange*, and *Second Barrel*. Gibson Book Store donated a book entitled *A Short History of the Mail Service* in memory of Mr. Ralph Car.

The Library Trustees and the Librarian wish to thank all that have helped during the past year to make this a successful year. Any suggestions for the betterment of the library would be welcomed by you the public.

Respectfully submitted,

PHYLIS M. LaCLAIR
Librarian

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenges. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility.

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help.

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned — 1970 season:

STATE	484 fires	244 acres
DISTRICT	74 fires	67 acres
TOWN	0 fires	0 acres

There were — 230 — permits issued in Epsom in 1970. With only one reported out of control.

No burning from 9 A.M. to 5 P.M.

You may have a Season Permit for — Incinerators.

As Fire Warden of Epsom, I wish to thank every one who has been so co-operative in obtaining (Fire Permits) when they are required and also wish to thank those who notify what is going on, when a permit is not required. I thank the people who have been so alert and prompt, in reporting and helping to locate fires.

With the Towers spotting every smoke that comes up and the State expecting the Warden to enforce the laws. The job is much easier.

REPORT OF HEALTH OFFICER FOR YEAR 1970

The Town is growing rapidly and of course problems stem from new homes, mobile homes and increased population.

It appears that the State Water Pollution Division is taking over the septic tank and drainage problems. However, I feel that they are making more mistakes in that area than the local health officers in this and other communities. I want to be on record as being opposed to their action. If you are having problems of this nature, I would appreciate being informed of them and hopefully I can give some assistance in this field.

There is always a general run of nuisances which have to be cared for and in cooperation with the Selectmen we are trying to eliminate these problems.

Respectfully submitted,

CLARENCE E. BARTLETT

APPROPRIATIONS FOR CONCORD HOSPITAL

January 7, 1971

Chairman
Board of Selectmen
Epsom, New Hampshire

Dear Sir:

The Trustees of Concord Hospital are again requesting that the Town of Epsom include in its 1971 budget an appropriation for Concord Hospital in the amount of \$632.00.

As in the past, our appropriation request is based upon the net unpaid services (Charity Care) given to patients during the year just ended 2.6% of the patients treated at Concord Hospital last year were residents of Epsom. Using this percentage figure, your town's share of the hospital's \$23,605 net unpaid charity services is \$632.00.

A Hospital representative would appreciate the opportunity to appear before your Budget Committee to discuss and explain this appropriation request. If you will give us a convenient date and time, we will arrange to have a Hospital representative meet with you.

Health services at Concord Hospital are made available to all residents of Epsom. The continued financial support of your community is needed and appreciated.

Sincerely yours,

J. RICHARD JACKMAN,
President
Concord Hospital

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Having been your Superintendent for a very short time I am unable to report on past accomplishments but will offer some observations on what appear to be most pressing problems and suggest some alternative solutions.

Housing is the most urgent problem in most Districts. We should closely examine new methods of construction, such as pre-fabricated and pre-engineered buildings, concrete slab buildings and portable classrooms and compare them with the more traditionally constructed schools.

Curriculum revision must be constant. Our schools must place more emphasis on those pupils who complete their formal education in the public schools. Study and evaluation can show which courses are relevant to the 1970's and which should be scrapped or changed.

The structure of the school must be scrutinized as to its effectiveness in each area. Campus type schools, open concept schools, team teaching, mini-courses of short duration, humanities approach and other innovations can bring education alive to the disinterested child.

By 1973, State minimum standards must be met by all schools in the State. They are too long to reproduce here however several copies are available at the Superintendent's office for loan.

The School Department appreciates your fine support of the schools.

RICHARD A. BELCHER
Superintendent

PRINCIPAL'S REPORT

Enrollment continues to increase, with 296 students enrolled on the first day of the 1970-71 school year. By the end of January, 1971, the enrollment had reached 310 students.

The ungraded section now includes all students below the sixth grade. School and faculty organization is as follows:

Level 1:	Mrs. Elsie Fife
Level 2:	Mrs. Leslie Longueil
Level 3:	Mrs. Deborah Fifield
Level 4:	Mrs. Betty Walker
Level 5:	Mrs. Elizabeth Stimmell
Level 6:	Mrs. Frances Newman
Level 7:	Miss Pamala Grisct
Level 8:	Mrs. Barbara Bassett
Grade 6:	Mr. David Space
Grade 7:	Mr. Roger Smith, resigned in October, 1970 Mr. Richard Monteith
Grade 8:	Mrs. Omand

The typing classes were expanded this year to include all 6th, 7th, and 8th grade students who want to type. About 80% of the students have taken advantage of this opportunity, and are making excellent progress.

The Library has continued to operate with volunteer librarians. Mrs. Robert Forrester has contributed much of her time and energy to organizing the volunteer assistants and setting up the library system. We appreciate her efforts, and those of the volunteers, for making the continued operation of the library possible.

With the increasing enrollment, space is becoming an increasingly serious problem. If the present rate of increase continues, all available classrooms will be in use, and we may be forced to discontinue our library, typing and kindergarten programs.

Thank you for your continued support and cooperation.

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

The health program for the year 1969-1970 was carried out in the usual manner with an annual physical inspection of each student by the nurse. When defects were noted, the appropriate referral and follow-up were made.

The students again received the benefit of preventive dental care through programs sponsored by the New Hampshire Bureau of Dental Public Health. One-hundred and forty children responded to the cleaning and flouride clinic held in the Spring, sponsored by the P.T.O.

The Heaf test for Tuberculosis was offered in school to the students in the first and seventh grades. A total of sixty-two children were tested.

A series of three Immunization Clinics, sponsored by the Epsom Woman's Club, were held in March, April and May. A total of three-hundred and thirty-six doses of vaccine were administered by Dr. Patrick Kelly, Pittsfield. Mrs. Margaret Findlay and Mrs. Evelyn Johnson, members of the Woman's Club, and Mrs. Jacqueline Palmer R.N., generously offered their services at these clinics and their help was greatly appreciated.

Rubella (German Measles) immunizations were especially encouraged this year. One-hundred and thirty students received this vaccine at clinics held in January and March.

Twenty-five children were registered for school entry at a pre-school clinic in May.

First aid was administered to approximately forty-eight students, and twelve home visits were made by the school nurse.

The following films were shown in conjunction with the health program for the year.

Smoking — American Cancer Society

Two drugs and narcotics films

Two personal health films for girls

I would like to express my thanks to Mrs. Dorothy Wells for the help and guidance she has given me this past year. Mrs. Wells resigned as school nurse the first of December and we greatly appreciate her concern and efforts on behalf of the school children and residents of Epsom. Thank you, too, to Mr. Martineau, Mr. Morgan, School Board Members, teachers and parents for their cooperation and support during the past year.

Respectfully submitted,

CARLINE E. KALLGREN, R.N.

School Nurse
